# History of Gleason High School

Gleason's first public school opened August 27, 1906, in the Masonic Male and Female Institute in a 2-story brick building erected in 1904 to replace a private school building which had burned.

By 1910, the enrollment had reached 150. All pupils were classified in grades, and in 1912-1913 the school became a full-fledged high school.

In 1920 the school opened with eight months elementary school and nine months high school. That great old bell, swinging in the belfry, every morning at seven-thirty summoned reluctant and eager students alike to a day of study. Courses available at this time were English, French, home economics, Latin, mathematics, science, and social studies.

By 1930 the attendance had increased to approximately 350. The building erected in 1904 could house the school no longer. A new building begun in 1929 was ready for commencement in May, 1930.

The years between 1940 and 1950 were a period of growth and progress for the school. The enrollment increased to approximately 425. The 1904 building was razed and in its place was built a new gymnasium and the present elementary school. By 1949 the school was able to occupy the new building.

Many improvements have been made to our school since that time: a modern cafeteria, sufficient school bus service, intercommunication system, three new elementary classrooms, addition to the gym, improvements of the math, science, commercial, home economics, and agriculture departments of the school. The present enrollment of the school is approximately 550.

Since 1906 more than a thousand students have gone out from the Gleason School. The bell which summoned those students to school now rests on a brick pedestal in front of the school. There it silently resounds the memories of those old school days.

## *Dedication*

The Senior Class of Gleason High School takes pride in dedicating the 1968 edition of the Bulldog to a former faculty member whom we know and love--Mrs. Pearl Bennett.

As former sponsor of our class, Mrs. Bennett worked unselfishly to help us meet our goals. Students who have known her as a teacher or class sponsor realize that she has given them something irreplaceable--friendship.

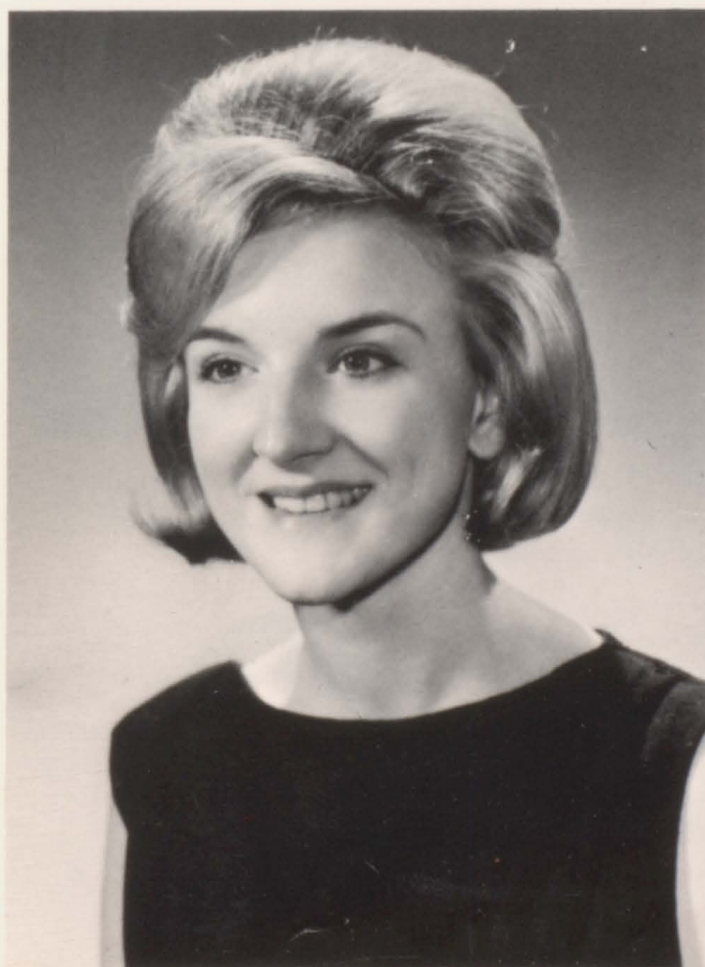

The 1968 Bulldog is dedicated as a symbol of our appreciation to and fondness for Mrs. Pearl Bennett.

## *In Appreciation*

Words cannot express the respect and gratitude that we, the Seniors of "68", have for our sponsors, Mr. Edgar Floyd and Mrs. Freda Frazer. They have both been counselors, teachers, and friends to us. So the Seniors of 1968 dedicate the Bulldog to them. This edition of the Bulldog is given to them with grateful appreciation.
