# Dedication

We the Senior Class of 1970 in an effort to show our fondness to a person who has rendered unmeasurable services to our school, do hereby dedicate the "Bulldog" to the Loving Memory of

MR. GLEN CHALK

who died in November of last year. As a photographer, he worked for us; as a person, he worked with us. His was a smile not to be forgotten.

It is with deep respect that we take this opportunity to honor a great man whose memory now rests in each of our minds.

# In Appreciation

It is with sincere gratitude and deep appreciation that we, the Senior Class of 1970, respectfully recognize and pay tribute to two very important individuals, Mrs. Carol Mollyhorn and Wendell Reed, our class sponsors, have given to us the friendship and understanding that has guided us throughout our high school years. We have learned to appreciate their efforts more and more as we progress steadily toward graduation. We value their patience, encouragement, and faithfulness more than words could ever express. To these special persons, we gratefully say "Thank You."

## The Spirit

My school has a spirit  
Freed by a rousing cheer,  
A clapping of hands,  
Or a broad smile of victory.  
My school is spirited,  
In time of demise,  
On the athletic field or in the classroom.  
And there is always a swelling  
Pride of awe when the  
Alma Mater is sung.

## COACH

To you, our thanks for a fine season  
For each of us has our own reason,  
As our last year of high school comes to a close,  
We, the seniors, want our coach to know,  
Just how much we deeply respect  
All the extra time and answers direct.  
You stayed with us when the chips were down,  
And you rejoiced with us when victory was bound.  
We thank you for your patience and support  
While on the field and on the court.  
You taught us things that no one else could  
And simplified them so that we understood.  
As we, the seniors, extend our appreciation to you,  
We wish you the best in all that you do.

By, Beverly Faye Dunn
