**THE
1980 BULLDOG
Gleason High
School
Volume XXXIII**

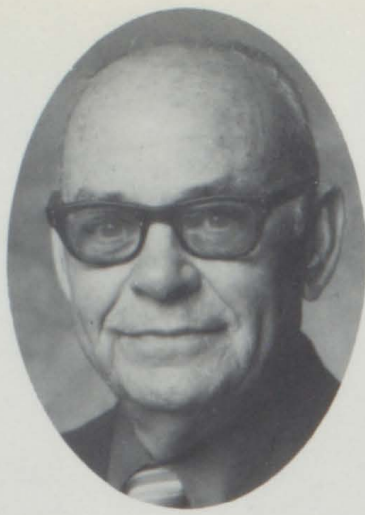

Over the past fifteen years Gleason High School has suffered from injuries and defeat, but this year victory was ours. For four years, these athletes have fought hard and through spirit and determination they have achieved their goals. In the years to come, when these boys look back they will not only remember their winning season but, those who stood by and supported them. We take great pride in dedicating the "1980 Bulldog" to the Senior football boys and hope that they always come out on top in life.

Graduation Day

*It has come! As we knew it would.
As inevitably as the sunrise; the sunset.
For this day the sun sets on part of our life
But as it sets; it must also rise.*

*It sets on high school days and worries,
The Senior prom and your date,
The new boy or girl in class
And on memories of days gone by.*

*But as it sets, it rises to new worlds.
For some it will be jobs, others will go to college.
Some will marry and settle down.
Others will go on to still greater things.*

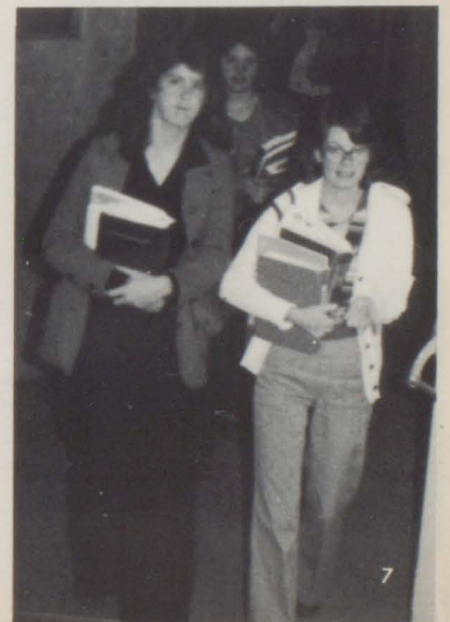

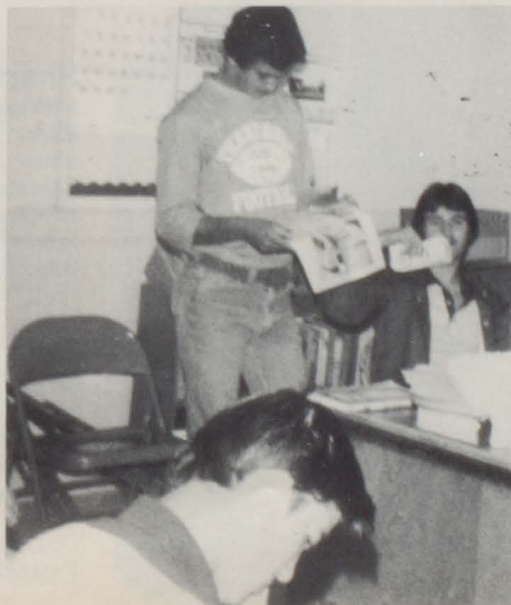

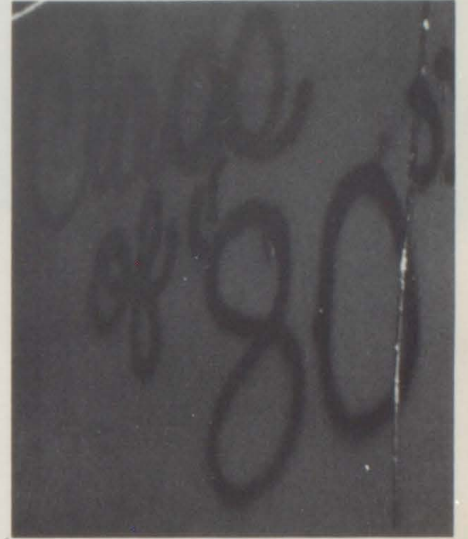

*Graduation is the first major goal in our life,
And once we have reached it
We feel that we can do anything.
We are ready to meet any challenge head on.
We are ready to face the world.*

*For twelve years we've worked long and hard.
Now our time is here. We are seniors.
We've had a long climb to the top,
But we finally made it.
Soon our day will be over
And we will be in the spotlight no more.*

*These are but words, as such they don't express our true emotions:
A sense of longing — a sense of joy
A sense of fear — a sense of courage
A sense of loneliness — a sense of oneness
But over all of this — a sense of overpowering responsibility.*
