Principal's Message

This has been a year filled with much activity and many exciting events. It has been a year of new associations, new ideas, new hopes, and new ambitions. It has been a year of growth and progress for Gleason School, and in turn for each student. This year has meant many things to many students, and has been a year of hard work and keen enjoyment for all. It has been a most rewarding year for me personally.

I am deeply grateful for the warm reception I have received from everyone in Gleason during my first year. We have an excellent school filled with great students. We have excellent teachers who are supported by a caring community and cooperative parents. Always know that our major goal is to provide the best educational opportunities for our students. I feel, "the best is yet to come."

ANNUAL STAFF '87'

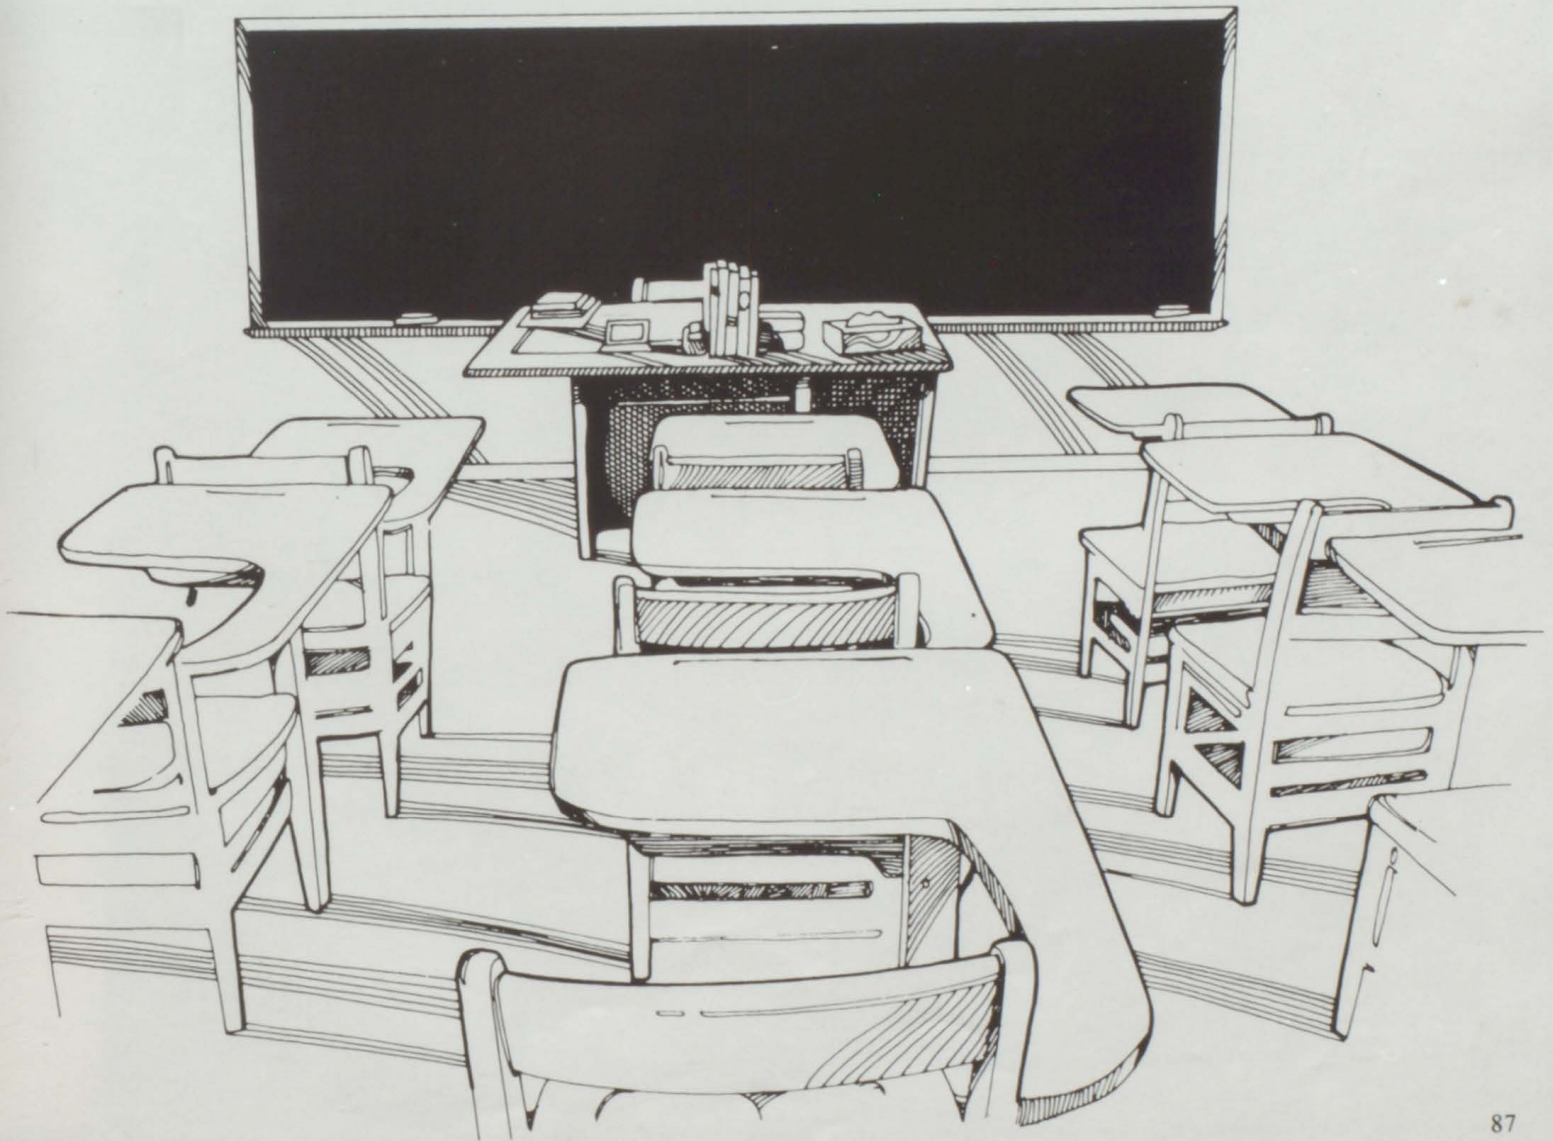

It is with deep pride that we, the Annual Staff of 1987, express our heartfelt thanks to Mrs. Pam McElhiney and Mrs. Paula Doster for their leadership, support, and encouragement. Your advice and long hours have instilled in us values that will enrich our high school memories. The responsibility you gave us and the trust you have in us will always be a part of molding our character. You gave us a hand, but more importantly you gave us your heart.

We would like to express our gratitude to Mr. Mitchell Parham. He was always ready and willing to snap those pictures that make our annual such a special book. The memories he helped to capture will be treasured by each of us for many years to come.

Finally, we would like to express our thanks to you for helping us make our book a success.

Nothing can take the place of gold.
But Balfour has created a look so similar,
it takes an expert to tell it from the real
thing. It's Goldtone Celestrium, exclu-
sively from Balfour. It has the look and
the durability of 14K gold. And like gold,
it will never tarnish or discolor. If you like
the appearance of yellow gold, but not
its price, consider Goldtone Celestrium.
It's a beautiful way to preserve those pre-
cious memories—in a
class ring that's
as special as
you are.

School Day Memories

As we reach out our hand
The diploma we grasp.
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-bye
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending —
Think a new life has begun.

Cindy Kichline
