Dear Ms. Charbonneau,

It's been a long, strange four years. There have been many fights and many tears. Things were so much more simple when you were around. While we were floating, you kept your feet on the ground. There is no possible way we could express all of our love and gratitude. All we know is that we miss you and love you too!

*We love you always, your worst and best class,

Another year goes passing by
Another prom is here

To some this brings joyous smile
To others brings a tear

For four years you have tread a path
From dawn to setting sun

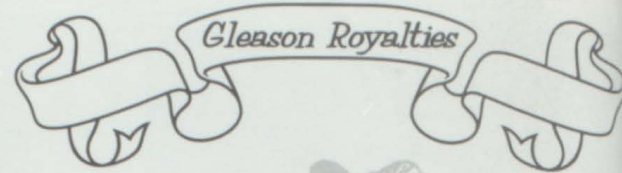

But now the path gets steeper
And the climb has just began

We're very glad to know you
We'll miss you when you're gone

Senior **Brook Jeter** won 1st place in Physical Science at **Union University West Tennessee Regional Science Fair** for her project "*Lead Content in Apple Juice.*" She chose that subject because she's interested in medicine and plans to study radiology at Jackson State Community College. She tested bottled, frozen, canned, and fresh apple juice. Although the levels were small, bottled juice contained the most lead. She stated that even low levels of lead can affect attention spans and cause behavior problems. Brooke received an all expense paid trip to compete in the **Intel International Science and Engineering Fair** in Detroit, MI from May 8th thru May 13th. She had opportunity to meet students from around the world.

Each Turner won the **Kiss-The-Pig** contest sponsored by 4th grade.

Mr. Frazier presents a check to LeBonhuer hero, Mr. Steve Hemann, for the amount of . . .

SUPER STEVE

*Look down the highway, way across
The blue yonder;*

*It's a bird, it's a plane-- no it's
Super Steve blading for Lebonhuer!
Even his love for sweet potatoes and
Pancakes and coaching hockey
Didn't slow down this determined
Workaholic disc jockey.*

*Helping sick children has been his
Ultimate goal,*

*But these six strenuous year have
Finally taken their toll.*

*The endless miles of rollerblading for
Donations of dollars that brought
Steve his fame,*

*Has now made our 40 year old Lebonhuer
Star much thinner and almost lame.*

*Raising \$6,000 from Humbolt to Trenton
The very first year.*

*A grand total of \$120,000 six years later
Proves his character has no fear.*

*His last trip today from Trenton to Tater Town
Rollerblading 100 miles.*

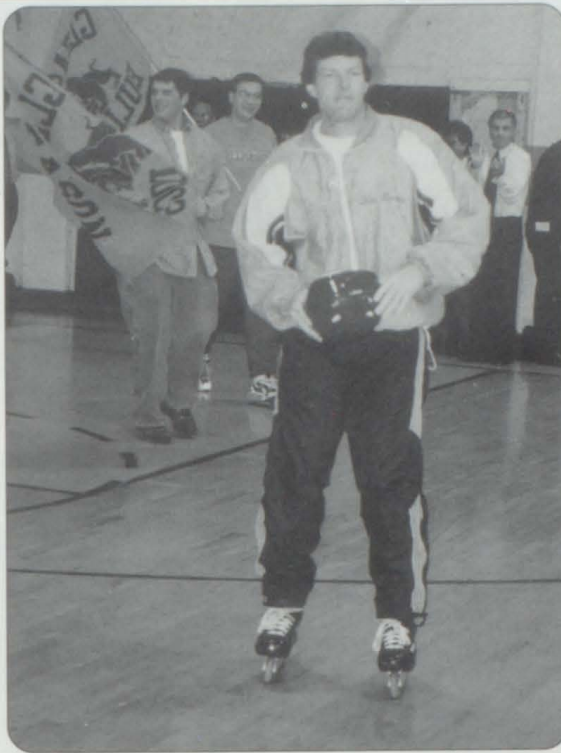

*His only reason is to give needy sick children
Back their smiles.*

*Today, in the humble presence of all,
We want to graciously honor*

*Mr. Steve Hemann who unselfishly
Bladed for Lebonhuer.*

As we pass through the doors the final time as students, we pause to reminisce over the past years. Here we have laughed and cried, lived and loved. We've created friendships and memories to last a lifetime. Yet this is not a time for saying good-bye because our memories will keep us together always.
