In Memory of Derek Steele Hagler

Through all the years we had the best ever. Derek was at every basketball and football game. For me it was during football season, every Thursday night you could find Derek at the south end of the field behind the end zone yelling no matter if we were winning or losing. There was nothing like running a touchdown at the south end of the field and seeing Derek sitting back there yelling. -Aron Vaughn

I remember his laugh and the way he was always there to be anybody's friend.
-Nick Copeland

I remember the way he always had high spirits and nothing ever seemed to get him down.
-Tyler Maddox

Derek's smile could brighten anyone's day. He seemed to smile with his whole face. The stage can have a million people on it at a game but without Derek it is still empty.
-Jennifer Sanders

He was always there at our football games cheering us on and motivating us even in some of our worst games. He is missed dearly.
-Aron Marr

Now days— you rarely find a constant person, but "D" was one of those people. He always gave unselfishly of himself to others. He could always brighten anyone's day with a smile or his laugh. No one knows just how much we miss him.
We love you "D".
-Halcy Hudson

Every basketball game that I stood on the sidelines cheering whether we were winning or losing by 40 points I knew that no matter what Derek would be cheering right along with us. He made everyone's life a little brighter and I will never forget him.
-Salina Smith

I remember the way he was always happy and laughing.
-Kurt Lehmkuhl

I remember how he always told Ms. Jane to shut up.
-Blaine Owen

I always remember staying in the classroom with him during P.E.
-Justin Bowles

I remember how much he motivated us at basketball games.
-Ryan Cooper

I remember Derek as a free spirit. Everytime you saw him, he was always smiling or making us laugh. He was the kindest person I ever knew and he gave us fun memories that will always last a lifetime. -Tiffini Damesworth

While trying to decide which of your baby pictures to use, I decided to use this one because it shows your personality so perfectly.

You were in a hurry to get here, but the best baby in the world and a very loving, happy, outgoing, funny, and intelligent child. Then there were the pre and young teen years of maturing and curiosity, and now the responsible, respectable, independent, fine young man you've become. When you roll all these characteristics into one, we have you.

We are so proud of you and to have you as our son and brother. We love you so much. You shoot for anything in life you want, and we will always be in line to back you up. We believe in you.

Congratulations Senior. May your path in life always be "all good".

Love,
Mom (Debbie), Dad (Fred), Aaron, Butch, and Allisha

17 years ago God blessed our home with a special little girl, Erica Dawn Owen. Through the years this girl was always Daddy's little girl. Now we look at a special young lady that God has blessed us with. You have blessed our hearts with your life. Always remember this - "Life is not a problem to be solved, but a gift to be enjoyed" and Psalm 118:24 - "This is the day the Lord has made; let us rejoice and be glad in it." We are proud of the young lady you are. Keep your goals high and through prayers and faith in God you will reach all your goals in life.

Love Always,
Dad and Mom

WE LOVE YOU, ERICA!
WE LOVE YOU WITH ALL OUR
HEARTS EVEN THOUGH YOU
LIKE TO BOSS US AROUND.
WE LOVE YOU VERY, VERY
MUCH.

Life is an adventure, what path to choose

There are no doors that are closed

The wrong paths may be the right ones

The right paths may be the wrong ones

The wants and wishes of today may be the regrets of tomorrow

Life is a constant growing and learning experience

How we adapt to change could be our greatest success

The most important things in life must surely be Love, Laughter, and Happiness

Love,
Aunt Gracie

I wish you the best in life.
Love always,
Aunt Rosie

Success is never final,
failure never fatal; it is courage that counts.
Remember this Bible verse from Psalms 31:24 - Be of courage, and he shall strengthen your heart, all ye that hope in the Lord.

For eighteen years our lives have revolved around you and your happiness. It seems like only yesterday that God blessed us with our beautiful little girl. Time has a way of slipping by and the memories and laughter we share each day become our treasures. You are without a doubt the most caring and sensitive person we know. You have taught us to long for the perfect world you dream about. Your smile lights up the room and fills our hearts with more joy than you could ever imagine. We are so very proud of all you have accomplished and look forward to your future with anticipation as you strive to meet challenges with grace and determination. Your work ethic makes us even prouder as you do whatever it takes to get the job done whether it is in the classroom, the gym, or the work place. The hardest thing for parents to do is to let go and the time is growing near for us to do just that. It is our prayer that you will carry with you all we have taught, the many life lessons learned, and your faith in God as you face the challenges and decisions ahead. Never forget your roots or those people who have been constant in your life. Always remember that even though at times life is not fair, God is always so good. We love you unconditionally and always will.

We have so much to say to you "Tate":

I wish you could only know how many times a day I whisper "God take care of my daughter. Let her feel Your presence so she will know she is never alone."

I want you to be happy and to realize that only you can make that happen. I want you to reach for the stars and realize that you can do whatever you have always dreamed of.

I want you to recognize in yourself all the beautiful gifts you have that I see clearly...Don't sell yourself short, not even for one minute, believe in yourself.

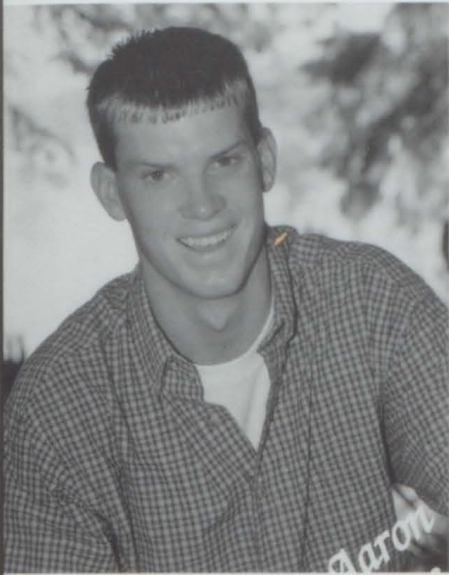

Always treasure your memories of "Sound of Music" and your granny- you were so loved. "Brookie" she would say.

More than anything else I want you to know how deeply you are and will always be loved and that we will always be there for you.

Sis I love you and wish you the best that life has to offer!

Love, Bubba

AARON

You have grown into a young man that we are proud to call a son and brother. Your tough guy exterior can't hide your big heart or how deeply you care for others. You have been blessed with a strong sense of what is right and wrong. You have never been afraid to speak your mind or to stand up for what you believe in. Sometimes it has been hard but you have always managed to do what is right. You express yourself with eyes that sparkle of mischief, a good sense of humor, and a winning personality that never meets a stranger. Hold true to those qualities and you will succeed.

*We love you
Dad, Mom, and Trae*

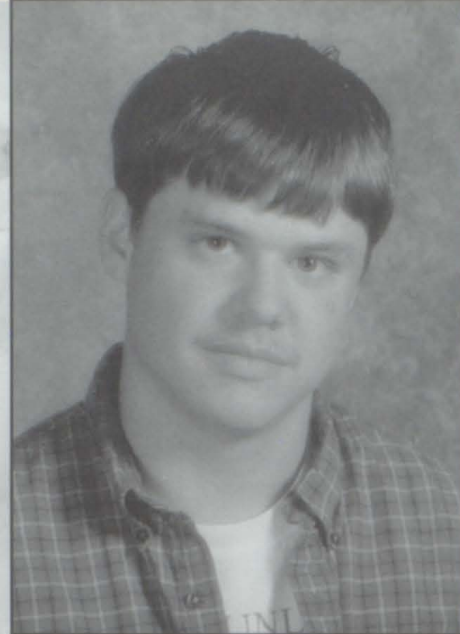

Amanda

From the adorable little girl with the bright smile, you have grown into a beautiful young woman. Keep the personality you have and God in your life and you will go far.

Love,
Mom, Dad and Jennifer

It seems like yesterday we were getting you ready to start school and now we are getting you ready to graduate. This is the end of high school but the beginning of a great future. We are all very proud of you. You have turned out to be a real gentleman. We love you and wish you the best of life and everything you do. Love you always, Mom & Dad, Granny & Papa, Aunt Lori, Aunt Tracy, Megan, Madison, Whitney, Zac, & Heather.

To My Sweet Snow White ~

Even though you are a young woman now, I want you to know that you will always be My Baby. When you were born and I first looked at you, I say the sweetest heart, the rosiest lips, and the softest skin. From that moment on, you became my Snow White.

To this day, all of those qualities still fit. It has been a wonderful journey watching you grow up to the beautiful, intelligent young woman that you are today. Your extremely sensitive heart will guide you on the right path in life- and your intelligence will take you far. I'm very proud to have you as my daughter. I hope you know that my heart and my door will always be open for you.

With love always, Mom, Jeannine, Janie, and Lyric
